DESCRIPTION

The Thule Subterra 2 PowerShuttle medium is a polyester organiser designed to keep chargers, cables, adapters, small devices and accessories neatly stored. Its compact cut and clean lines give easy access to essentials through multiple versatile pockets, elastic loops and a convenient key holder. Lightweight and simple to care for, it slips effortlessly into luggage or a bag to keep items organised during business trips or leisure travel. A practical, understated choice for anyone who values function and tidy storage.

We offer the custom organiser with logo using object screen printing, ideal for companies, sports clubs, associations, schools, youth movements, events and private customers. YourVisualHere's studio can retouch or vectorise your logo and include the marking in a free quote. There is no minimum order; collection is possible at our Evere workshop or delivery to Belgium, France and Luxembourg.
