DESCRIPTION

The Case Logic Invigo convertible shopping bag combines refined styling with practical organisation. Made from 600D recycled polyester with a neat lining, it features a padded laptop pocket for 15.6", a tablet sleeve for 12.9", a zippered front pocket and a main compartment with a bottle holder. The padded shoulder strap tucks away to use the bag as a shopper or detaches to convert it into a backpack; the backpack straps are concealed in a rear pocket. A luggage strap allows easy attachment to wheeled suitcases for hassle-free travel.

For branding, this custom / personalised convertible shopping bag with logo can be decorated using embroidery, object screen printing, multicolour transfer or digital printing. Suitable for companies, sports clubs, associations, events and private customers seeking a practical, branded item.
