DESCRIPTION

The Thule Subterra 2 cabin suitcase with wheels is designed to maximise storage and keep your items organised during travel. It features a foldable divider to separate shoes from clothing, a removable compression panel and compression straps to optimise packing space. An external quick-access pocket provides easy reach for small items, while quiet wheels and a V telescopic handle ensure smooth manoeuvrability. Made from polyester, the case is durable and easy to care for, making it a practical choice for frequent travellers.

Order a custom / personalised cabin suitcase with logo using multicolour transfer or digital printing. Ideal for companies, sports clubs, associations, events and private customers who want a practical, branded travel item. YourVisualHere offers customisation from a single piece, a graphic studio to vectorise your logo and a free quote on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
