DESCRIPTION

The Trace travel bag (50 L) combines durability with eco-conscious design, made from 500 g/m² fabric comprising 70% recycled cotton and 30% recycled polyester. It features a spacious main compartment, a front pocket for small items, two short handles and an adjustable removable shoulder strap for comfortable carrying. Cyclo® technology uses pre-sorted waste fibres that determine the yarn colour, and the Aware™ tracker with QR code allows tracing the item's origin and production path. The materials are easy to care for and suited to recycled fibres.

This custom / personalised travel bag with logo is suitable for embroidery and object screen printing. Ideal for companies, sports clubs, associations, events and private customers. YourVisualHere provides a free quote, an in-house design studio to retouch or vectorise your logo and clear marked-up pricing in the quote.
