DESCRIPTION

The Herschel City recycled backpack (16L) features a clean silhouette and organised compartments: a padded floating sleeve for 13"/14" laptops, padded EVA shoulder straps for comfort, a front pocket and an expandable bottle pocket. Constructed from EcoSystem™ 600D made from post-consumer bottles, the bag provides a compact 16-litre capacity ideal for city commuting, packed metros and everyday professional use.

Order a custom / personalised backpack with logo for businesses, sports clubs, associations, schools or private customers using embroidery, DTF printing or multicolour transfer. Our studio can refine and vectorise your logo and apply it to the pocket, face or strap for a clean, professional result.
