DESCRIPTION

The recycled Case Logic Invigo accessory bag is designed to hold cables, earphones, adapters and other personal items. Its compact cut makes it easy to fit inside a larger bag or to use on its own. Constructed with a recycled polyester outer and a polyester lining, it provides a lightweight, durable solution for everyday organisation. Care is straightforward with simple wiping and occasional cleaning as needed. This custom / personalised recycled accessory bag with logo is practical and unobtrusive for both professional and personal use.

Personalise the bag using our techniques: embroidery, DTF printing, flex, screen printing, screen-print transfers (1-colour and multicolour), embroidered patches, pad printing and digital printing on items. Suitable for companies, sports clubs, associations, schools, youth movements, events and private customers. Free quote within 24 hours on weekdays; collect from our Evere workshop or have it delivered in Belgium, France and Luxembourg.
