DESCRIPTION

The USB-C 2-in-1 Pro 2 charging cable pairs robust aluminium construction with a refined Dutch design. It powers a USB-C laptop or tablet while delivering Qi2 15 W wireless charging to a phone or earbuds — ideal for daily use at home, in the office or on the move. For best results use with a USB-C adapter of at least 65 W (140 W recommended). The premium aluminium finish makes it durable and easy to keep clean, fitting seamlessly with modern mobile setups.

Offer a custom / personalised USB-C 2-in-1 charging cable with logo using laser engraving, pad printing (tampography) or digital printing. Perfect for companies, clubs, associations, events and private buyers seeking a stylish and useful promotional item. Our design studio can refine or vectorise your logo for precise marking.
