DESCRIPTION

The Zens Pro 2 double charging cable in aluminium charges an iPhone (12+) and an Apple Watch simultaneously using an integrated module and Qi2-certified wireless charging up to 15 W. Magnetic alignment ensures the phone snaps into place for reliable, efficient charging, including compatible Android phones with a magnetic case. USB-C powered and compact, it’s designed for travel, the office or daily use. The aluminium finish is low-maintenance and offers a sleek, professional look that suits both business and personal settings.

This custom / personalised double charging cable with logo can be marked by laser engraving, pad printing (tampography) or digital printing to display your logo or message. Ideal for companies, clubs, associations, events and private customers seeking a practical branded giveaway. Our design studio can prepare or vectorise your artwork.
