DESCRIPTION

The Zens Pro 1 is a compact aluminium wireless charger powered by USB-C, designed for travel, the office or everyday desk use. It provides magnetic charging certified Qi2 up to 15 W for the iPhone 12+ and compatible Android phones with a magnetic case. Precise magnetic alignment ensures your phone clicks securely into place for efficient charging without extra setup. Simple and convenient: plug it in, place your phone and charging starts automatically.

For branding, this custom / personalised wireless charger with logo can be finished by laser engraving, digital printing or pad printing depending on the desired look. Perfect for companies, sports clubs, associations, schools, youth movements, events and private customers. No minimum order (from 1 piece); free quote within 24 hours on weekdays; graphic studio available to vectorise logos; collection in Evere or delivery in Belgium, France and Luxembourg.
