DESCRIPTION

The Boompods Echowave wireless earbuds deliver balanced sound and deep bass in a compact design made from ocean-recycled plastic. Built for daily use, they provide a secure fit, water resistance and extended playtime via the charging case. Bluetooth® 5.3 ensures quick pairing and a stable connection, while ENC microphones help keep calls clear. The short-stem form offers comfortable wear throughout the day and intuitive controls let you manage music, calls and voice assistants with ease.

Order custom / personalised wireless earbuds with logo using tampography for precise marking on plastic. Ideal for businesses, sports clubs, associations, schools, events and private customers. YourVisualHere handles the artwork and issues a free weekday quote for your branding project.
