DESCRIPTION

The Frederik two-function emergency blanket, made from PET plastic, protects against heat, cold and moisture. Measuring 160 x 210 cm, it packs easily into a travel bag or first aid kit. Use the silver side against the body to retain warmth, or the gold side to stay cool; the robust PET material is easy to care for. The blanket is regulated, tested and certified as a Class I medical device under Directive MDD 93/42/EEC.

Offer a custom / personalised emergency blanket with logo using digital printing (impression numérique), ideal for companies, sports clubs, associations, events and private individuals. We can print logos and artwork directly onto the PET surface; free quotes within 24 hours on weekdays and orders accepted from a single item. Collection in Evere or delivery across Belgium, France and Luxembourg.
