DESCRIPTION

The Alexander waterproof first aid kit bag (30-piece) is made from durable tarpaulin with a roll-top closure and plastic buckle to keep contents dry. It includes essential items (scissors, bandages, plasters, gloves, adhesive tape, etc.) and is ideal for water sports and outdoor activities. Compact and practical, it helps treat wounds promptly to reduce secondary injuries. Care is straightforward: wipe the tarpaulin surface with a damp cloth and allow to dry.

Customisation is available by object screen printing to create a custom / personalised first aid kit bag with logo. Perfect for companies, sports clubs, associations, events and private individuals wishing to brand their kit. Our in-house graphic studio can rework or vectorise your logo for printing.
