Country of origin	Chine
Carton	280 pieces

DESCRIPTION

The Félix RFX™ slap reflective bracelet is a practical safety accessory providing 360° visibility in low light. Its slap-wrap design contains a spring that wraps the band around the wrist or ankle with a light snap. Available in several sizes and in white or yellow, it features a fluorescent RFX™ reflective film and options in phthalate-free PVC or more durable TPU. Composition listed as polyester. Materials have been tested against the REACH SVHC candidate list and the bracelet is CE approved to EN 13356 : 2001 Type 2.

This custom / personalised bracelet with logo is ideal for decoration by tampography, to apply a clear, visible message or logo. Perfect for businesses, sports clubs, associations, schools, youth movements, events and private individuals who want to combine safety with brand visibility. Free quote and in-house design studio available to prepare or vectorise your logo.
