DESCRIPTION

The Johan 38 cm RFX™ slap reflective armband in PVC provides 360° visibility in low light, making it perfect for enhancing road safety during night activities or outdoor events. As a slap wrap, it snaps around the arm or ankle with a light click thanks to an internal welded spring. Manufactured from phthalate-free PVC with a fluorescent flexible RFX™ reflective film, it has been tested against the REACH SVHC candidate list and is CE approved (EN 13356 : 2001 Type 2). Available in white or yellow and made in Europe, it can be cleaned with warm water.

Personalise this custom / personalised slap reflective armband with logo using tampography to add a message or logo. Ideal for companies, sports clubs, associations, schools, youth movements, promotional events and private individuals seeking improved visibility and effective brand communication.
