DESCRIPTION

The Heli mouse pad is a flexible, lightweight desk accessory designed for everyday use. With compact dimensions of 23 x 19 cm it suits small workspaces. Made from PU foam, it provides a comfortable feel and a stable surface for precise mouse control, while being easy to clean and maintain. This mouse pad balances comfort and practicality without occupying much desk space.

Offer a custom / personalised mouse pad with logo using our techniques: object screen printing, multicolour transfer, DTF printing and sublimation. Perfect for companies, sports clubs, associations, events and private customers, it allows logos, artwork or messages to be applied with a professional finish.
