DESCRIPTION

The Volt 2200 mAh power bank is a compact, practical gift to boost a smartphone or tablet with its 2200 mAh capacity and 5V/1A output. It charges via the included USB cable and an LED turns blue when fully charged. The aluminium casing makes the unit lightweight and durable, easy to carry every day. Its compact, understated design is suitable for events, trade shows or professional and personal use.

Offer a custom / personalised power bank with logo using tampography, laser engraving or digital printing on the aluminium shell. Ideal for businesses, sports clubs, associations, events and private individuals looking for a useful, long-lasting promotional item.
