DESCRIPTION

The custom / personalised USB stick 2 GB Rotate-basic with logo is a practical way to share, move and back up files. Its plastic body with a lightweight rotating aluminium cover offers protection for the connector when not in use, and it is plug-and-play compatible with Windows and MacOS. The device conforms to USB 2.0 with read and write speeds provided by the supplier. Easy to care for and convenient to carry, it suits trade shows, events and everyday use.

Customisation options include pad printing, object screen printing, laser engraving and doming. We personalise sticks for companies, sports clubs, associations, schools, youth movements and private customers. No minimum order, free quotes and an in-house design studio to retouch or vectorise your logo are available.
