DESCRIPTION

The USB 4GB Rotate-metallic is a compact, practical device for transferring and storing files. Made from plastic and aluminium, it balances lightness with durability, making it suitable for everyday use and transport. It slips easily into a pocket or bag and is straightforward to handle. To maintain performance avoid prolonged exposure to moisture or extreme temperatures and take care when connecting and disconnecting the plug.

We offer a custom / personalised USB stick with logo using tampography, object screen printing, laser engraving or doming. It is ideal for companies, sports clubs, associations, schools, events and private individuals seeking a promotional item or personalised gift.
