Reference	123688
Composition	Aluminium
Material	Aluminium
Average weight	210
Dimensions	15,3 x 1 x 7,5 cm
Country of origin	Chine
Carton	20 pieces

DESCRIPTION

The custom / personalised powerbank with logo Stellar 8000 mAh is a sleek aluminium power bank featuring a solar panel and an LED torch activated by a double press of the power button. It can charge two devices simultaneously (outputs 5 V/2.1 A and 5 V/1 A) and four LED indicators show the remaining battery level. The aluminium casing offers durability and easy care — a soft cloth keeps it looking good. Supplied in a white Avenue gift box, it can be recharged either via the solar panel or the included USB-A to USB-C cable.

Perfect as a custom / personalised powerbank with logo for companies, sports clubs, associations, events or private customers. Available marking techniques include pad printing and laser engraving. Our graphic studio can retouch or vectorise your logo to ensure a clean, precise print on the product.
