DESCRIPTION

The Rotate basic 16 GB USB flash drive is a compact, practical storage solution for carrying and sharing files on the go. It combines a plastic body with a 360° rotating aluminium cover that protects the connector and keeps out dirt. Plug and Play technology makes it compatible with Windows and MacOS via USB 2.0 for basic transfer needs. Easy to maintain — wipe the casing and avoid prolonged exposure to moisture.

Order a custom / personalised USB flash drive with logo using tampography, object screen printing, laser engraving or doming. Ideal for companies, sports clubs, associations, events and private individuals looking for a useful, branded giveaway or promotional item.
