DESCRIPTION

The Rotate 4 GB USB drive in bamboo is a practical storage device compatible with PC and MacBook. Its genuine bamboo casing gives a natural, lightweight look, while USB 2.0 provides standard transfer speeds (write 2 MB/s, read 5 MB/s). It plugs directly into a USB port and is easy to carry and gently clean. Designed for everyday use, this drive combines simple functionality with an eco-friendly aesthetic, making it a tasteful addition to corporate kits or a stylish promotional gift.

Offer a custom USB drive Rotate 4 GB with logo using laser engraving or pad printing to showcase your brand or message. We can personalise this item for businesses, sports clubs, associations, events and private customers; our studio can rework or vectorise your logo if needed. Ideal as a promotional giveaway or corporate gift for schools and youth groups as well.
