DESCRIPTION

The custom / personalised Duo Slim USB flash drive with logo is a compact, rotatable USB made from ABS plastic, featuring both Type-C and USB-A ports for wide compatibility. This USB 3.0 model delivers practical read and write speeds for everyday file transfers and arrives in an envelope. Its slim design makes it easy to carry in a pocket or bag; to maintain performance, keep the connectors dry and avoid prolonged exposure to extreme temperatures.

Personalisation options include tampography, doming and digital printing on the plastic surface. Ideal for companies, sports clubs, associations, events and private individuals looking for a useful, branded giveaway or promotional item with their logo.
