Cell aluminium ring phone holder

Ref. 123945

Reference	123945
Composition	Alloy
Material	Alloy
Average weight	13
Dimensions	3,7 x 0,3 x 3 cm
Country of origin	Chine
Carton	1000 pieces

DESCRIPTION

This aluminium-alloy phone ring holder attaches securely to the back of a smartphone with adhesive; the ring rotates 360° and lifts to act as a stand or a hand grip. Its compact alloy construction makes it practical and easy to maintain with a soft cloth. Compatible with most phone cases, it provides added grip and a convenient hands-free option for everyday use without altering the device's profile.

Offer a custom / personalised phone ring holder with logo using tampography, laser engraving or digital printing. These marking methods suit businesses, sports clubs, associations, schools, events and private customers. No minimum order, free quote within 24 hours on weekdays, with workshop pickup or delivery in Belgium, France and Luxembourg.
