DESCRIPTION

The Cosmos bamboo Bluetooth speaker blends a natural look with practical features. Its real bamboo body delivers clear audio with a 3 W output and Bluetooth 5.1 provides an operating range up to 10 m. The speaker also supports FM radio input, Micro SD and USB, and includes a built-in microphone and music controls. Lightweight and easy to maintain, it is ideal for home, office or outdoor events where design and function matter.

This custom / personalised bamboo Bluetooth speaker with logo can be marked by laser engraving for a refined finish or by digital printing for colourful designs. Perfect for companies, clubs, associations, schools, events and private customers. Our graphic studio can adapt your logo and we provide a fast, free quote to bring your project to life.
