DESCRIPTION

The Plate 8000 mAh power bank is a slim aluminium portable charger featuring a grade A 8,000 mAh lithium-polymer battery. An LED indicator shows charging status and remaining capacity. It has a 5V/2A input and output and comes with a USB to Type-C charging cable, all housed in a durable aluminium casing and presented in a white Avenue gift box for a refined look. The metal finish is easy to clean and ideal for on-the-go use.

This custom power bank with logo can be personalised by tampography, laser engraving or digital printing. Suitable for companies, sports clubs, associations, events and individuals, it makes an excellent corporate gift or promotional item. Our studio can retouch or vectorise your logo; orders accepted from 1 piece and we provide free quotes on weekdays.
