DESCRIPTION

The Fashion Bluetooth® speaker combines contemporary style with everyday practicality: a woven fabric grille and a soft-touch ABS plastic housing give it a modern look. Compact and portable, it delivers clear sound from a 3-watt driver and includes built-in music controls and a microphone so you can manage playback and take calls without touching your phone. The internal battery provides several hours of playtime and Bluetooth® 5.0 offers a range of around 10 metres. Easy to care for, it’s suitable for daily use at home, in the office or on the move.

This custom / personalised Bluetooth speaker with logo can be branded using tampography, digital printing or doming to apply your logo or artwork. Ideal for companies, sports clubs, associations, events and private individuals looking for a useful, stylish promotional item. Free quotes and a graphic studio are available to prepare or vectorise your logo.
