DESCRIPTION

Practical and eco-minded, the Bates 3-in-1 charging cable in cork and wheat straw is a compact keyring designed to charge a wide range of devices. It features a USB-A, a USB-C and a 2-in-1 dual connector compatible with iOS and Android, with straightforward guidance for each device. Made from cork and wheat straw (TPE blend), it provides a more sustainable option than standard plastic accessories; care is simple — wipe gently with a dry or slightly damp cloth.

Order a custom / personalised 3-in-1 charging cable with logo using pad printing, digital printing or laser engraving. Suitable for companies, sports clubs, associations, events and private customers, it works well as a promotional item, giveaway or corporate gift. Our in-house design studio can prepare or vectorise your logo to ensure a clean, durable mark on the material.
