DESCRIPTION

The Casque Bluetooth® Loop in recycled ABS plastic is a wireless headset with an ergonomic design, soft cushioned ear pads for comfortable wear and a foldable, swivelling structure. It includes a built-in microphone for calls and uses Bluetooth® 5.2 with a range up to 10 metres. The rechargeable 300 mAh battery provides up to 12 hours of playback. Supplied in a gift box with an instruction manual made from more sustainable materials. Easy to clean with a soft cloth. This Bluetooth headset pairs practicality with recycled materials.

We can supply a custom / personalised Casque Bluetooth with logo using tampography or doming. Perfect for companies, sports clubs, associations, schools, youth movements, events and private customers looking for a sustainable promotional item. Graphic studio available to retouch or vectorise your logo; free quotes on weekdays.
