DESCRIPTION

Meet the Stark 2.0 speaker, a compact Bluetooth® speaker made from recycled ABS plastic. Delivering 5 W of high-fidelity sound, IPX5 water resistance and a 1,200 mAh Li-ion battery for up to 4.5 hours of playtime at maximum volume, it suits both indoor and outdoor use. It includes music controls and a built-in microphone for hands-free calls and comes with a USB-A to Type-C charging cable and a kraft gift box. Care is simple — wipe with a damp cloth.

Order a custom / personalised speaker with logo using our available techniques: digital printing, pad printing (tampography) or doming. Ideal for businesses, sports clubs, associations, events and private customers — perfect as corporate gifts, giveaways or promotional merchandise. Free weekday quotes and a graphic studio are available to refine or vectorise your logo.
