DESCRIPTION

The Loop 10,000 mAh power bank in recycled ABS plastic is a compact, portable charger for keeping devices powered on the go. Constructed from recycled ABS, it houses a quality lithium-polymer cell, power level indicators and Type-C, Micro USB and dual USB-A outputs for wide compatibility. Supplied with a 30 cm TPE charging cable and kraft gift box, it’s easy to carry and maintain with a soft cloth. Suitable for trade shows, events or daily use, it delivers reliable charging when you need it.

Offer a custom / personalised power bank with logo using tampography or digital printing to showcase your brand. Ideal for businesses, sports clubs, associations, schools, events and private customers. We provide a free quote within 24 hours on weekdays, standard production, and collection in Evere or delivery to Belgium, France and Luxembourg. Our studio can vectorise or retouch your artwork if required.
