DESCRIPTION

The Loop 20,000 mAh powerbank in recycled ABS plastic is a handy on-the-go solution for charging devices. Made from recycled ABS, it houses a quality lithium-polymer battery and power indicators so you always know the remaining charge. Featuring Type-C and Micro USB inputs plus dual USB-A outputs, it provides versatile charging options. Supplied with a 30 cm TPE USB-A to Type-C charging cable and a kraft gift box, it is easy to handle and can be wiped clean with a soft cloth.

Offer this custom / personalised powerbank with logo using tampography or digital printing to apply your branding. Ideal for businesses, clubs, associations, events and private individuals, it makes a practical promotional gift, corporate giveaway or event item.
