DESCRIPTION

The modular Whiz charging cable is a compact, versatile accessory for charging and data transfer, made from recycled ABS plastic. It features multiple connectors (type-C and USB-A input; type-C/iOS/micro USB outputs) and comes in a neat kraft storage box. At 28 cm in length it will charge most smartphones, cameras, power banks and earphones. A SIM-eject pin is included for easy removal of a SIM card, and the box can hold a micro SD or nano SIM, making it a handy travel companion.

We offer a custom / personalised Whiz charging cable with logo using tampography or digital printing. Suitable for businesses, sports clubs, associations, events and private customers seeking a useful, eco-aware promotional item. Free quote within 24 hours on weekdays, no minimum order quantity and delivery across Belgium, France and Luxembourg or collection from our Evere workshop.
