DESCRIPTION

The Citala 5-in-1 retractable cable is a compact accessory made from recycled ABS plastic, designed for data syncing and fast charging. It extends to 90 cm and combines USB-A/Type-C input with a 2-in-1 Type-C + Lightning/Micro USB output. USB-C to USB-C provides up to 40 W, USB-A to USB-C up to 18 W, and other connections up to 15 W. Compatible with CarPlay and Android Auto, it delivers convenience and style at home, in the office or on the move.

Order a custom / personalised 5-in-1 retractable cable with logo using doming for a tactile finish, tampography for accurate single-colour marks, or digital printing for detailed multicolour designs. Suitable for companies, sports clubs, associations, events and private customers seeking a practical, recyclable promotional item.
