DESCRIPTION

The Rebel earphones with recycled plastic storage case provide a simple, practical audio option for everyday use with any device featuring a 3.5 mm jack. Made from recycled ABS plastic, they come in a triangular case that stores the cable and protects the earphones from external damage. Their compact in-ear style offers comfortable wear and minimal bulk; maintenance is straightforward by wiping the plastic surfaces clean.

These custom personalised Rebel earphones with logo can be decorated using doming or digital printing to display a logo, design or message. Suitable for companies, events, clubs, associations and private customers, they make a useful, recyclable branded gift to promote your identity.
