DESCRIPTION

The Kooduu Fokus portable lamp is a rechargeable steel table lamp designed to deliver focused, adjustable light. With a continuous dimmer from 0–100%, a warm 2,700 K colour temperature and 83 lumens output, it provides comfortable illumination for studying, working or relaxed reading. The integrated 4,000 mAh battery offers extended runtime and the included USB charging station enhances portability. This custom Kooduu Fokus portable lamp with logo pairs elegant design with practical performance for home and workspace settings.

Personalise the lamp using pad printing or laser engraving. Suitable for businesses, sports clubs, associations, events and private customers, it makes an excellent branded gift, promotional item or corporate accessory. Our in-house studio can prepare your logo for printing and advise on marking options for any quantity.
