DESCRIPTION

The Aggia phone stand with built-in fidget toy is a compact, practical accessory made from recycled ABS plastic. It combines a phone base with a fidget element to help you stay relaxed and focused. Lightweight and easy to carry, it comes with a keyring for everyday use. Care is straightforward: wipe with a damp cloth to maintain appearance and cleanliness. This custom / personalised phone stand with logo is suitable for frequent mobile use.

Customisation options include pad printing (tampography), digital printing on objects, screen printing and screen print transfers (single-colour and multicolour). Perfect for companies, clubs, associations, events and private individuals. YourVisualHere provides a free quote within 24 hours on weekdays, a graphic studio to vectorise your logo and no minimum order (from 1 piece).
