DESCRIPTION

The Bluetooth® True Wireless Altais earbud is a compact stereo headset designed for on-the-go use. Made from recycled ABS plastic, it sits in a small charging case and delivers a stable connection via Bluetooth® 6.0. The earbud provides up to 4 hours of talk or play time and recharges quickly in 1 to 1.5 hours; a 30 cm USB-A to Type-C charging cable is included. Comfortable and easy to care for, it’s suitable for daily use and travel.

For customisation we offer tampography and digital printing to create a custom / personalised earbud with logo and to brand the charging case. Ideal for businesses, sports clubs, associations, events and private customers seeking a practical, eco-minded promotional item.
