DESCRIPTION

Enjoy clear sound in a compact package with the Ankaa 3 W wireless Bluetooth® speaker made from recycled aluminium. Its elegant design includes control buttons, a power button and a built-in microphone for hands-free calls. The Type-C charging connector and supplied USB-A to Type-C cable add convenience for listening on the move. Lightweight and modern, this speaker is easy to carry and designed for everyday use.

The custom / personalised speaker with logo can be marked by pad printing or laser engraving. Perfect for businesses, sports clubs, associations, events or private individuals looking for a practical, stylish promotional item. No minimum order and a free quote within 24 hours on weekdays are available.
