DESCRIPTION

Bring modern, adaptable lighting to any space with the Alya rechargeable table lamp, crafted from recycled ABS plastic. It offers three lighting modes — cool white, warm and a combined setting — and brightness is adjusted with a simple press to suit mood or task. The built-in 1200 mAh rechargeable battery enables true wireless use, and the lamp includes an 80 cm Type-C charging cable for convenient recharging wherever needed.

This custom / personalised table lamp with logo is ideal for marking via digital printing. Perfect for businesses, sports clubs, associations, events and private customers looking for a practical, branded item to carry a clear logo or design and boost visibility.
