DESCRIPTION

The Alphard retractable PD CarPlay charging cable (100 W) combines convenience and durability: a retractable mechanism for tangle-free storage, multiple connectors for wide device compatibility and Power Delivery support up to 100 W. Made from recycled ABS plastic, it's a more responsible material choice while remaining compact and robust—perfect for car, home or travel use. Easy to handle and store, it provides a practical all-in-one charging solution.

Offer this custom / personalised cable with logo using digital printing or pad printing. Ideal for companies, sports clubs, associations, events and private individuals who want a practical, eco-conscious branded item. Free quotes and a graphic studio for logo vectorisation are available.
