DESCRIPTION

The adjustable, recycled Vega neck strap for smartphones blends practicality with sustainability: its central piece is made from recycled PET polyester, providing a secure hold for your phone while maintaining a contemporary look. Designed for comfortable everyday wear, it suits commuting and events; care is straightforward thanks to durable synthetic materials. This custom / personalised neck strap with logo adapts well to various outfits and uses, for professional or personal contexts.

Personalisation is available by pad printing (tampography), digital printing or doming, offering crisp display of your logo or message. Ideal for businesses, sports clubs, associations, events and individuals seeking a functional, brandable accessory.
