DESCRIPTION

This custom / personalised portable fan with logo is made from recycled ABS plastic, offering a compact, lightweight design ideal for picnics, camping and outdoor events. It features three cooling speeds to suit different conditions and recharges via the supplied USB-A to USB-C cable. Battery runtime varies by speed, providing convenient, on-the-go cooling for daily use and travel. Easy to carry and operate, it’s a practical summer accessory for quick relief in warm or humid environments.

Personalise this custom / personalised portable fan with logo using tampography, doming or digital printing to add your logo or message. Perfect for companies, sports clubs, associations, events and individuals looking for a useful and recycled giveaway. We can assist in preparing and optimising your artwork for precise branding.
