DESCRIPTION

The portable magnetic fan in recycled plastic Ventio is a compact, practical summer accessory made from recycled ABS plastic. It is designed for iPhones (series 17–12) and compatible Samsung Galaxy models, attaching securely with or without a magnetic case. The integrated metal ring provides a comfortable grip and doubles as a stand for hands-free horizontal use. Powered by a rechargeable battery via USB-C and offering three speeds, it gives convenient personal cooling for work, travel or outdoor leisure while remaining easy to carry.

This custom / personalised portable magnetic fan with logo can be decorated using tampography, digital printing or doming. Suitable for companies, sports clubs, associations, schools, events and private individuals seeking a useful summer gift that showcases their logo effectively on a compact item.
