DESCRIPTION

The Xtorm 65 W fast travel charger is engineered to safely top up laptops, tablets and smartphones via its USB-C PD 65 W port and USB-A QC 4.0 port. Compact and travel-ready, it includes interchangeable plugs (US, UK, EU, AU/NZ), a 1 m USB-C PD 100 W cable and a practical travel pouch. Made from 97% GRS-certified recycled plastic with multi-layer safety protection, it provides a reliable and more sustainable charging solution for daily use and on the move.

We offer laser engraving to create a custom / personalised charger with logo for companies, sports clubs, associations, events and private clients. YourVisualHere accepts orders from 1 piece, provides a graphic studio to retouch or vectorise your logo and issues a free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
