DESCRIPTION

The Xtorm 45 W NextGen wall charger combines compact design with strong performance, making it ideal for home, office or travel. It features a USB-C output (Power Delivery, 45 W) and a USB-A output (18 W) to charge multiple devices efficiently. Constructed from 97% GRS-certified recycled ABS and 3% ABS plastic, it offers durability with environmental consideration. Maintenance is straightforward — wipe with a slightly damp cloth to keep it clean. Consider a custom / personalised wall charger with logo for a practical and refined promotional item.

Customisation is available by laser engraving, suitable for companies, sports clubs, associations, events and private individuals seeking an elegant branded gadget. Our graphic studio can retouch or vectorise your logo to ensure a crisp, lasting engraving. Ideal as a corporate gift, event giveaway or customer loyalty item.
