DESCRIPTION

The Xtorm 70 W NextGen wall charger is a compact, high-performance accessory suited to home, office and travel. Manufactured from 97% GRS-certified recycled ABS and 3% ABS plastic, it combines durability with a more responsible finish. Equipped with a USB-C Power Delivery 70 W and a USB-A Quick Charge 18 W output, it can recharge laptops, smartphones and tablets simultaneously. The ABS surface is easy to care for with a dry or slightly damp cloth. This is a custom / personalised wall charger with logo that is both practical and robust.

We personalise this charger by laser engraving, offering precise, long-lasting marking on the casing. Customised wall chargers are ideal for companies, sports clubs, associations, events and individuals. YourVisualHere SRL provides free quotes within 24 hours on weekdays, no minimum order (from 1 piece), an in-house graphic studio to retouch or vectorise your logo, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
