DESCRIPTION

The Xtorm WalletTag waterproof tracking tag is an ultra-thin PVC device, credit-card sized, that slips easily into wallets, passport holders, backpacks or on keyrings without added bulk. With IP67 protection it is dustproof and can be immersed in water; the rechargeable battery is charged wirelessly. Compatible with Apple's "Find My" and Google's "Find Hub", it provides audible alerts and map tracking to quickly locate your belongings. Easy to care for — simply wipe with a damp cloth.

Offer a custom / personalised WalletTag waterproof tracking tag with logo using our digital printing to add your logo or artwork. Perfect for businesses, sports clubs, associations, events and private individuals who want a practical branded item. We accept orders from one piece and our studio can retouch or vectorise your logo if required.
