DESCRIPTION

The Xtorm Lock Tag combination lock pairs toughness with compact design: an alloy and stainless steel body, a braided steel cable and TSA-certified construction to ease airport security checks. Ideal for suitcases, backpacks and travel bags, it features a rechargeable location tracker via USB-C and long-lasting battery performance. The metal finish is durable and simple to care for with a damp cloth. Compact and dependable, this custom / personalised lock with logo adds extra peace of mind when travelling.

Personalise it using laser engraving or digital printing to display logos or IDs. Suited to companies, sports clubs, associations, events and individuals, our workshop accepts orders from one piece, provides free quotes within 24 hours on weekdays and offers collection or delivery in Belgium, France and Luxembourg.
