DESCRIPTION

The SKROSS® Reload 10,000 mAh power bank is a compact, practical solution for charging smartphones, tablets and other USB-powered devices on the move. Made from plastic with a slim profile, it features a digital display showing remaining charge, an integrated USB-C cable and a USB-C connector for input and output. With 30 W fast charging and a 10,000 mAh capacity, it provides reliable backup power and is small enough to slip into a bag or pocket.

Offer a custom power bank with logo using digital printing or pad printing to promote your brand at events, for corporate gifts, clubs, associations, schools or private customers. No minimum order, free weekday quotes and an in-house design studio to vectorise or refine your artwork.
