DESCRIPTION

The SKROSS® Reload 5,000 mAh powerbank is a compact, practical solution for charging devices on the move. Featuring a 5,000 mAh capacity, 20 W fast-charge capability and a digital display showing remaining battery percentage, it makes monitoring charge simple. Made of plastic, it includes an integrated USB-C cable and USB-C input/output connector, slim enough to slip into a bag or pocket. For care, wipe clean with a soft cloth to maintain its finish.

This custom / personalised powerbank with logo is suitable for digital printing and tampography. Ideal for businesses, sports clubs, associations, events and private individuals looking for a useful branded gift, it provides everyday, portable visibility for your logo or message.
